No certifications are available for this product

Product description

Glass tumbler protected by a recycled plastic case. The tumbler is made from 100% durable borosilicate glass which conserves the freshness of the beverage, and it does not contain any harmful chemicals. BPA-free, tested and approved under German Food Safe Legislation (LFGB). Tested and approved for phthalates content according to REACH regulations. The tumbler fits under most coffee machines. Volume capacity is 420 ml. By removing the plastic case, the item is dishwasher safe. Presented in a recycled cardboard gift box.
