Recycled materials

Durability

Follow washing instructions to avoid damage

End-of-Life

Ceramic is not easy recycled. If intact, consider donating or reusing

Broken ceramic can be used in gardening for drainage and soil aeration

Audits

Certificates

No certifications are available for this product

Product description

Ceramic tumbler with a stylish bamboo lid. The double-wall ceramic construction helps to prevent condensation on the outside of the tumbler. The spill-resistant, screw-on lid is made from from sustainable, environmentally and socially responsible sourced bamboo. BPA-free and tested and approved under German Food Safe Legislation (LFGB). Tested and approved for phthalates content according to REACH regulations. Volume capacity is 300 ml. Hand wash recommended. Presented in a recycled cardboard gift box.
