Product description

The 470 ml Stacking Tumbler is a versatile companion for everyday use, whether at home, outdoors or on the go. Featuring double-wall vacuum insulation, it keeps drinks at the ideal temperature for longer, while the durable stainless steel construction ensures lasting performance. Its stackable design allows for easy storage, making it a practical choice for kitchens or travel, and it is available in a range of colours that can be mixed and matched with coordinating vacuum bottles, food jars and mugs. Dishwasher safe for easy cleaning, it offers reliable convenience for any occasion.
