Declaration of Conformity

We, CGI, declare under our sole responsibility that the following product:

Product	Article number
WoW! Double-walled thermos made from recycled stainless steel and finished with a beautiful powder coating. This mug has a transparent push-on lid with a sealable drinking opening. Fits perfectly in the coffee holder of your car. Ideal for when you are out and about. Not dishwasher-safe. RCS-certificated. Total recycled material: 80%. Capacity 380 ml. Stainless steel can be recycled many times whilst retaining the quality of the material. By using recycled stainless steel, fewer new raw materials are needed. This means less energy consumption and less use of water.	2327
