Product description

Eco friendly reusable water bottle that provides a pure water drinking experience. The bottle is made from durable borosilicate glass which conserves the pure real fresh taste of water, and it does not any contain harmful chemicals. Features a silicone grip with a leakproof lid made of organic bamboo. Tested and approved under German Food Safe Legislation (LFGB), and tested for phthalates content according to REACH regulations. Volume capacity is 600 ml. By removing the grip and lid the bottle is dishwasher safe. Presented in a recycled cardboard gift box.
