Product description

Two-in-one double-walled stainless steel sport bottle with copper vacuum insulation featuring 2 lids: one lid with a straw for easy drinking and one leakproof screw-on lid with handling loop. The insulated 18/8 stainless steel construction prevents condensation on the outside of the bottle, and the on-trend powder coating finish makes it extra durable. Wide opening mouth for easy filling, pouring and cleaning. BPA-free, tested and approved under German Food Safe Legislation (LFGB). Tested and approved for phthalates content according to REACH regulations. Perfect for ice cubes. Volume capacity is 1 litre. Hand wash recommended. Presented in a recycled cardboard gift box.
