Product description

The Camelbak® Thrive Chug Tritan Renew water bottle is the successor of the popular Camelbak Chute® Mag Tritan Renew offering an easy on-the-go hydration experience. The new spout cap flips open and automatically stays in open position – push it back and it stays in place. The easy close spout will make sure the bottle is 100% leak proof, while the new soft pivoting handle allows for easy carrying. Volume capacity: 740 ml. Made with Tritan™ Renew plastic, a 50% recycled material.
