Product description

The Vasa copper vacuum insulated bottle keeps drinks hot for up to 12 hours or cold for up to 48 hours. Double-walled and made from stainless steel with vacuum insulation and a copper-plated inner wall, it offers excellent temperature retention. A special exterior coating allows for sublimation printing, while the shiny finish adds a premium look. Supplied in a recycled cardboard gift box. Volume capacity: 500 ml.

Available branding options

Sublimation (size in mm)		 Max. 1 color	 All file types
