No certifications are available for this product

Product description

The Ida 21.5" foldable umbrella is small and compact but does an excellent job of protecting against the rain. The manual slide system makes the umbrella easy to open and close. Furthermore, the umbrella has a strong metal frame, metal ribs and a plastic handle for a good grip. Thanks to it's size when folded it will fit perfectly in a (hand)bag. The Ida umbrella is made of durable polyester, is suitable for multiple printing options and comes with a pouch for easy storage.
