Product description

With the Rotate-basic 2GB flash drive it's easy and secure to share, move, and back up your files. The plastic flash drive features a 360-degree rotating and lightweight aluminium body that facilitates opening and closing and protects the drive when not in use. Plug and play technology - compatible with Windows and MacOS operating systems. USB 2.0 with a write speed of 2.92 MB/s and a read speed of 9.76 MB/s. The USB stick is available in different colours and offers various possibilities for printing any logo.
