Product description

Provides protection against hackers potentially spying on you, as well as preventing scratches on the camera. Once aligned over the webcam, it needs to be pressed firmly for a few seconds for a strong seal. Then the camera can be blocked/unblocked by sliding the flap to the side. Due to its thin design it does not prevent laptops from closing perfectly. Compatible with most electronic devices with camera.

Available branding options

Padprint (size in mm)

Max. 4 colors

Vector files only

Centered on front

25 X 10

Digital print (size in mm)

Max. 1 color

All file types

Centered on front

32 X 13
