Product description

The Hybrid 15W premium wireless charging pad is an asset for any office desk. It can easily fit into a laptop bag pockets due to its ultra-slim design. Made of durable aluminum housing combined with an anti-slip TPU leather charging pad. With up to 15W wireless charging output, devices are fully powered quickly. Compatible with all Qi devices (iPhone 8 or above and Android devices that support wireless charging). Features built-in FOD (Foreign Object Detection) to identify unwanted objects and ensure a smooth charging process. Delivered in a premium kraft paper box with a colourful sticker. Type C charging cable is included.
