Product description

The Turner organiser clutch is designed with highly durable and sustainable materials. The outside is made with 51% GRS recycled PU plastic and the lining is made of 100% GRS recycled RPET. This organiser does exactly what the name promises, there is a dedicated compartment for every need. Whether it is cables, air pods, cards, keys - you name it and it will have a place! With a zipper opening on both sides of the clutch, it is easy to reach every item stored inside. This organiser clutch is made to last, and with its classic design and sturdy materials, it will become a favourite.
